

What is Serenity Weekend?

- Serenity Weekend is a short weekend retreat from the everyday hustle and bustle. We take a walk through the steps of Alanon, coupling it with fun and fellowship.
- Your registration fee is inclusive for the weekend. However, literature from our Literature Depot will be available for purchase.
- Morningstar Renewal Center : This venue has a beautiful serene setting in the midst of our ever so busy city, located in Pinecrest just a short way from US1.

- **What does this weekend entail?** Throughout the weekend, we will have a different Alanon member sharing their experience, strength, and hope on each of the 12 steps with possibly a brief discussion on that step after each speaker and short breaks between each set of steps. On Saturday evening we break away from the speakers and meetings and have some fun. One year we had a dance party and games while on another occasion we had a drumming circle. You will need to attend to see what we have in store this year.
- **What is included in your registration?** Friday dinner, 3 meals on Saturday and Sunday breakfast. Weather permitting we will be eating our meals in the newly created patio area outside, just off the dining room. You will be assigned a twin bed in a shared room with a dormitory style shower facility. Due to Covid reducing the venue's volunteer pool, in 2022, you will need to provide your own towels and bed linens.

- **Refunds:** Our registration form states *No Refunds but your registration is transferable*. What that means is if the event is being held and you decide not to go, your spot can be transferred to another person. You can gift it or sell it, that is completely up to you. This should not be an issue since this event has a VERY LIMITED capacity.

The weekend retreat cannot be split between two or more people. Only those registered may attend whether it's for the weekend or one day.

If for some reason the event is canceled, all that have registered will receive a full refund.

- Payments and the registration form itself can both go to the Zelle email address on the registration form. Snail mail is still a viable option.

Should you have any questions, please contact one of the Serenity Weekend Committee members listed below:
